

# KnoxBox Requirements

## Ocean County Mall

This bulletin contains knoxbox information for Tenants located in Lifestyle A & B referenced in the Design Manual. The local jurisdiction will required Tenants to install a knoxbox in close proximity to your storefront entrance.

### KnoxBox Placement and Selection

The knox box may be integrated into Tenant's design or placed on the Landlord's brick/efis column. If incorporated into Tenant's design, Tenant may select knoxbox color, surface or recess mount. If placed on Landlord's column, select the model and specifications below and coordinate location with Mall Management.

Order the box on line from Tom's River webside: <https://www.knoxbox.com/>

- Enter State or zip code 08753 & Toms River Bureau of Fire Prevention (no apostrophe)
