

BULLETIN

Permitting Tips

(6/2017)

This bulletin is to make you aware of issues that have been identified by the City or other retailers and suggests Tenant's architect and engineer pursue further as it relates to Tenant's contract documents.

- For additional information regarding City websites and other permitting information contact them directly at the following web site: <http://www.reno.gov/Index.aspx?page=154>
- GC will be required to include a copy of their license with the submittal.
- Reno has a Virtual Permit application within the City site as noted above. You can check on permit status as a registered user.
- Average Building Department permitting review time is 2 - 3 weeks.
- Average Sprinkler / Life Safety permitting review time is 3 – 4 weeks.
- Kiosks are not required to have a permit if the kiosk electrical components are just plugged into an outlet.
- Kiosks are required to have a permit if the electrical components are hard wired.
