

BULLETIN

Design Criteria

(6/24)

This bulletin is to advise you of the criteria specific to the center in which your space is located. Note: Should any information conflict between this bulletin and the design manual, the bulletin shall take precedence.

1. 2x4 lights – parabolic lenses at 1/100 sf. 2x4 prismatic lenses at 1/150 s.f. also acceptable.
2. Restroom accessories – Bobrick or equal preferred. Accessories of a lesser quality than Bobrick also acceptable. Spec to be reviewed and approved by Tenant Coordinator reviewing the plans.
