

Solids Interceptors

Brickell City Centre

For all Tenants at Brickell City Centre, the following plumbing drains must have solids interceptors:

- Prep sinks
- Pre-rinse sinks
- Pot sinks
- 1,2 & 3 compartment sinks
- Mop sinks
- Dishwashers (ware washers)
- Floor & trench drains

For drains with an air gap, you may use a removable screen in the floor sink.

For floor and trench drains you may use a removable screen sock.
