

## Tenant Addresses

Brickell City Centre

Brickell City Centre (BCC) is a complex, vertical mixed use project located in the Brickell neighborhood of downtown Miami. The project is an integrated development over three (3) city blocks, with planned expansion to two additional blocks. Due to the location of the project straddling two zip codes, it is necessary for tenants to use the address that applies to their specific block and space.

The following shall be the address format used for each of the purposes noted. See also attached diagram:
