

# BULLETIN

## Permitting Tips

(07/09)

**This bulletin is to make you aware of issues that have been identified by the City or other retailers and suggest Tenant's architect and engineer pursue further as it relates to Tenant's contract documents.**

- The Florida Mall is located in Orange County jurisdiction not the City of Orlando, so you will need to get all permits from the county.
- Refer to pre-construction sheet for additional information regarding City websites and other permitting information.
- For permit submittals "the owner" will be the Tenant. Tenant will be required to sign most of the documents. If there are documents that require the mall signature, please note that all information must be filled in and complete before the mall will sign.
- Contractors are encouraged to follow all county procedures thoroughly. Contractors that follow the procedures generally open early and contractors that bypass the procedures in the county generally open late.
