

# BULLETIN

## Misc.

(07/09)

**This bulletin is to make you aware of issues that have been identified by the OD or other retailers and suggest Tenant's architect and engineer pursue further as it relates to Tenant's contract documents.**

- Unique food court signage. Please refer to Tenant Design Manual.
- There are multiple design zones within the mall. Tenant's architect to coordinate design of the store for the appropriate zone. (Refer to Tenant Design Manual).
- There are areas in the mall where the electrical rooms are at full capacity and are limited to any additional load. Field verify existing electrical conditions in both Tenant and Landlord areas prior to upgrading Tenants existing service. Contact the Mall Operation's Director to coordinate access.
